

A modern round glass table with a dark wood base is the central focus. The table has a clear glass top and a base made of several dark wood legs that cross in the center. It sits on a light-colored wooden floor. In the background, there is a window with vertical blinds, a potted plant, and a dark piece of furniture. The text 'Mesas Bases' is overlaid on the bottom left, and 'Mayo 2025' is in the bottom left corner.
